

» CONVERTIVOR DE FECUENCIA 8400 HIGHLINE MARCA LENZE.

Inverter Drives 8400 HighLine

General information

Equipment

X100 Mains connection

X100 DC-bus connection
(400 V types)

IT screw

X101 Relay connection

Communication module
Option

Safety engineering (STO)
Option

Memory module
• pluggable
• contains all drive data

X6 Diagnostic interface
USB adapter for
PC connection,
keypad (option)

X3 Control terminal
Spring-applied brake

X1 CANopen on board
• DS301-compliant
• T-plug

X5 Control terminal
Spring-applied brake

X107 Integrated shield connection
Control cables

Integrated shield connection
Motor cable

X4 Control terminal
Spring-applied brake

X105 Motor connection

X80 Safety engineering (STO)
Option

Integrated shield connection
Control cable

V03.24
